Dear parents and carers,

## **RE: Reception - Frequently Asked Questions**

We have put together a 'Frequently asked questions' letter to provide you with lots of useful information about your child's learning experience in Reception.

### **Home Times**

You will have noticed home time is a busy time, to help us to get the children out to you a little quicker and more safely please can you make your way to the gate.

### **PE Days**

Our PE days are Monday and Thursday.

### **Library Books**

Your child will start to bring home a library book each week. These books are not always matched to their reading level but are aimed to be 'reading for pleasure' ideally sharing the book with an adult. Our library day will be a Wednesday.

### **Reading Folders**

You will find a letter explaining how the reading folder works in your child's folder. We will be sending a letter home with the dates for phonics workshops in the next few weeks.

### **Super Star Sheets**

Learning takes place both at home and at school, it is really important therefore that we hear all about all your child's wonderful achievements at home. Please tell us about what your child has done at home which has amazed you. We can send more super star's home as you require them. The super stars can be completed at any point in the year and can include photos.

### **Snacks**

Please let us know if you don't want your child to purchase warm morning snacks from school or if there is something in particular they can't have. Your child is welcome to bring their own morning snack. We provide the children with fruit and milk in the afternoon.

---

Some children find choosing their lunch difficult, if you know your child is a fussy eater or has dietary requirements it would be really helpful if you could give us some guidance as to what they will eat. We can send menu's home to help choices to be made.

## **Water bottles**

Please encourage your child to bring their water bottle each day. If they can be named that would be great.

If you have any questions or queries please do not hesitate to contact me or ask any of the reception class team.

Kind regards

Miss N Ainsworth  
Reception Class Teacher
