## Our Amazing Stars!

Please join us on every Monday for our 'Stars of the Week' assembly at 09:00 - everyone welcome.

We have been busy crowning our shiny stars in our celebration assemblies. Here are our wonderful winners from the last two weeks...

**Red Class: Jaxon B and Rosie**

**Orange Class: Joe and Eliza**

**Yellow Class: Alexandra and Blake**

**Green Class: Kameel and Mia T**

**Indigo Class: Neo and Callum**

**Violet Class: Mia-Rose and Bentley**

**Congratulations to all our shiny stars!**

### Attendance

Each week our classes are aiming to have an attendance of 95% and above. Mrs Love and the School Council have met to discuss the attendance awards, and the councillors had some amazing ideas!

Classes will still collect stars for each week with attendance above 95%. Once 5 stars have been collected, children in the class can choose from extra Golden Time, extra break time, or to swap a lesson for an extra one of their choice!

Class	Week beg: 13/1/25	Week beg: 20/1/25
Red Class	97.9%	98.6%
Orange Class	93.5%	98%
Yellow Class	100%	99.6%
Green Class	96.4%	92.5%
Indigo Class	98.1%	94.3%
Violet Class	96.3%	97.9%

Well done to Red Class, Yellow Class, Green Class, Indigo Class and Violet Class, who all earned a star in the week beginning 13<sup>th</sup> January, and to Red Class, Orange Class, Yellow Class and Violet Class, who all earned a star in the week beginning 20<sup>th</sup> January.

**And a huge CONGRATULATIONS! to Red Class and Yellow Class, who have now joined Orange Class in earning the full 5 stars for their second reward!**

## Friday Worship

We would like to remind all parents, carers and family members that they are invited every Friday at 9am, to attend worship in the school hall with Reverend Garry.

This will continue each week, unless we are at church for a Eucharistic Service.

Siblings, as always, are also welcome to attend with parents.

We look forward to seeing you there.

## Red Class

Red Class have had a great few weeks learning about Chinese New Year and Diwali in RE. They are working so well together to develop their skills in gymnastics and yoga. The pride that they have taken in their techniques has been outstanding.

Our Maths work has focused a lot on 1 more and 1 less than a number, as well as addition and subtraction facts. In English we are working to improve our spelling and reading of the Green Words (please see below). Have you been practising at home?

## Orange Class

We have had another busy two weeks in Orange Class!

In Maths, the children have enjoyed learning about 3D shapes. We have mastered identifying the different shapes and we are also able to link 3D shapes to real life situations.

In our English lessons, we have worked incredibly hard to write a letter and a character description. We have been busy expanding our knowledge around terminology, learning about adjectives and verbs. We have also been learning about polar animals in Science, creating a fact file to showcase our fantastic knowledge and skills.

Please take a look at our pictures below:

## Yellow Class

WOW! Yellow Class just continue to impress with their enthusiasm and resilience in all that they do. Over the last couple of weeks, the children have worked so hard in English to remember the four different sentence types, applying these correctly in different styles of writing, as well as remembering to include previously taught skills.

Such a lot for our little children to remember but they have really displayed an amazing '**Going for Gold**' attitude. We have had a real push on our times tables this week and all of Yellow Class have worked so hard to complete division problems too. Other wonderful activities we have taken part in the last couple of weeks include investigating how materials change shape, learning new shortcuts on a keyboard in computing and attending a wonderful multi-skills event at The Cheadle Academy. Please have a look at the photographs below.

## Green Class

Wow! What a busy couple of weeks we've had in Green class. The children have enjoyed their investigation into states of matter; before working scientifically to explore the effect of temperature on substances such as chocolate.

In English, the children have participated in role play this week, taking on the roles of either the village chief or the islanders as part of our text, 'When the Giant Stirred'. In addition to this, the children have been learning the difference between direct and indirect speech before having a go at using inverted commas in their own pieces of writing. Well done Green class!

## Indigo Class

What a busy couple of weeks we have had!

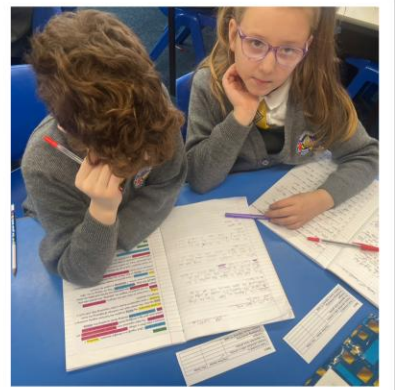

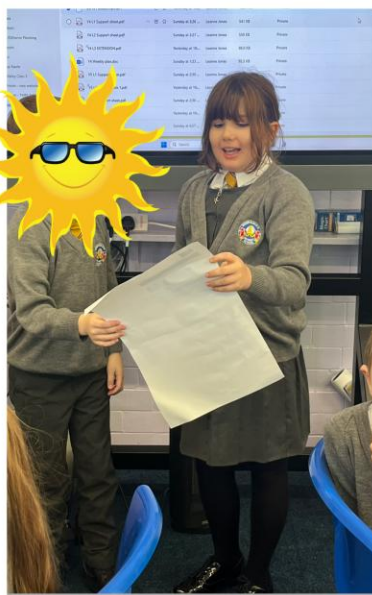

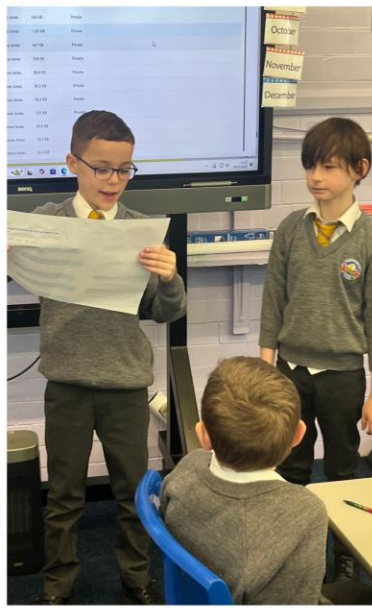

In Maths, we have focused on multiplication and division, including short division, short multiplication, partitioning and the expanded written method. We have shown great resilience with some tricky concepts!

We have had lots of fun in Science, learning all about metamorphosis and the life cycles of insects and amphibians.

In English, we enjoyed working in pairs to create cohesion within writing through applying skills such as fronted adverbials, conjunctions and choosing nouns/pronouns appropriately.

In R.E. we have focused on the Ten Gurus in Sikhism, showing great interest in their teachings.

Well done Indigo, keep it up!

## Violet Class

Violet Class have been letting their imaginations run wild over the last few weeks – and wowing us with their absolutely incredible creative writing. Using our text 'The Selfish Giant', the children have been exploring figurative description and personification, using the subjunctive mood and more formal expressions.

In maths, we have been solving angle problems using the properties of shapes and finding and calculating missing angles. We have also explored multiplication and division, including expressing remainders in different ways such as decimals and fractions in Year 5, and multiplying numbers with decimal places in Year 6.

We also explored the mining of Rare Earth Elements (REE's), and the consequences this can have on the environment. We thought about the products which use REE's and ways these can be extracted more carefully. We even tried some mining of our own – using chocolate chip cookies!
