Classes will still collect stars for each week with attendance above 95%. Once 5 stars have been collected, children in the class can choose from extra Golden Time, extra break time, or to swap a lesson for an extra one of their choice!

Red Class

We have had a wonderful two weeks. However, our trip to The Potteries Museum has to be the biggest highlight. The children were behaved impeccably, as always and they had a very enjoyable day out. I'm sure they all slept well that night!

Orange Class:

We have had a brilliant two weeks in Orange Class.

As always, the children have been working incredibly hard. The best part has been our trip to the Potteries Museum and Art Gallery. The children thoroughly enjoyed a workshop around old toys from the past and we had a great time exploring the museum.

All the children had an excellent time and behaved in an outstanding manner!

Yellow Class

We have had an incredibly busy couple of weeks. The children have worked so hard to complete a big write in English, writing their own version of the text, 'The Dragon Machine.' They have also thoroughly enjoyed completing our 'Material Monsters' unit in Science by creating their own junk model monster.

Green Class

The last two weeks have flown by! Green class have been busy completing their own version of, 'When the Giant Stirred' in English, using formal written methods for multiplication in Maths and completing work on the Ancient Gods in History. Well done Green class you have all worked incredibly hard!

Due to receiving our fifth attendance star for 95% or over, the children decided to swap a lesson with a game of dodgeball. To add to the competitiveness, they also requested Year 3 vs Year 4!

Take a look at our pictures below:

Indigo Class

Well, we have certainly had a busy few weeks!

In Art, children have enjoyed sculpting and painting their Mayan Aztec Masks, they look amazing.

In Maths, children have focused on fractions, decimals and percentages, developing their understanding through visual representations.

In English, we finally completed 'Kai and the Monkey King'. It wasn't the ending that some of us were expecting! Children are now busy writing their own myths taking inspiration from the text.

In Science, children have completed partner research on endangered species, considering what can be done to help save them and presenting their ideas to the class.

In PSHE, we dedicated time to completing various activities towards Positive Mental Health Week and we completed a live lesson during Safer Internet Day focused on scamming, phishing and password protection.

Violet Class

Just like all the other classes, Violet Class have been working incredibly hard over the last 2 weeks: producing some fantastic writing using a more formal voice in their English lessons, tinkering with 3D design software in Computing, exploring evolution in Science and channelling their inner dance divas in PE! Phew!
